

Focus on FRANS (Friends, Relatives, Acquaintances, Neighbors & Straying Members) Outreach / In-Reach

Identify people from among your circle of friends, relatives, acquaintances, neighbors, and weaker friends at church who need to be reached with the good news of our Savior Jesus, or who need strengthening in their faith.

Pray for these people.

Ask God to give you opportunities to talk to them about Jesus.

Invite them to come to worship, Bible Study, or a special event with you.
